Make material - kapton and alum - NRE is for engineering
2 mil kapton, soft gold, no nickel - FORCE onto 12x18 panel
no data at quote

Terms & Conditions:

Quotation is based on the above PWB specifications manufactured in accordance with IPC-A-600 Class II or specifications provided by the customer if different. Any changes may require a new quotation. All quotations subject to change after full and complete review of manufacturing files. Quick Turn orders should provide an engineering contact to ensure quick error resolution.

All quotes are subject to manufacturing capacity at the time the order is placed.

All deliveries quoted are in business days, excluding weekends and legal holidays, and do not include material lead time unless otherwise specified.

Lead time does not start until all file and document discrepancies are resolved and if any artwork approval is required not until final approval is recieved. We are not responsible for any DXF file conversion errors.

Buyer's EXCLUSIVE REMEDY for non-conforming parts is repair or replacement and only if notified within 30 days from shipment and only if boards are stored and baked in accordance with IPC 1601.

NO WARRANTY on boards which prohibit supplier markings, unless a sole source supplier agreement is in place.

In the event of a new order where time is a factor we will require GERBER DATA, NCD FILES, FABRICATION DRAWINGS OR FILES and a PURCHASE ORDER by 11:30 AM in order for that day be be considered DAY ZERO.

New customers that desire open credit terms should submit their Bank and three trade references before they place their Purchase Order. We also accept VISA, MASTERCARD and AMERICAN EXPRESS. Pricing reflects 5% cash discount. All credit card orders will be invoiced with a 5% credit card processing fee.

International shipments must be shipped to purchasers address, we do not offer drop shipments on international orders.
Thank You for selecting Hughes Circuits Inc.
